

**You Are My Friend  
And I Won't and Can't Hurt You  
By Travis Casey**

**Don't be afraid of me.  
I am HIV but don't be afraid of me,  
I can't and won't hurt you.  
AIDS will,  
but I won't and can't hurt you.  
You are my friend;  
I am just like you,  
Yes I am sick and I am HIV,  
But I can't and won't hurt you.  
You are my friend, so I am here to tell you,  
You can shake my hand  
Because you are my friend  
And I won't and can't hurt you.  
You can give me a hug,  
I can't and won't hurt you.  
You are my friend,  
You can give me a social kiss,  
I won't and can't hurt you.  
You are my friend,  
Come to work with me,  
I won't and can't hurt you.  
You are my friend,  
You can call me on the phone,  
I won't and can't hurt you.  
You are my friend,  
If I get a cold and cough or sneeze  
Don't be afraid,  
I won't and can't hurt you.  
You are my friend,  
And I can't and won't hurt you.  
So all I want you to do is shake my hand,  
Give me a kiss, rub me when I'm hurting,  
And hug me when I need to be hugged.  
I can't and won't hurt you.  
You are my friend, so be my friend  
And don't be afraid because I love you.  
You are my friend and  
I can't and I won't hurt you.**
